

Wire Frame

Monday, July 1, 2019 1:36 PM

This screens prompts user to enter a role id which determines each user access privileges.
Two Roles: Instructor and Student

A wireframe for a screen that prompts a user to enter a role ID. It consists of a large rectangular container. Inside, centered, is the text "Enter Role ID:" followed by a rectangular input field. Below the input field, also centered, is a rectangular button labeled "Submit".

Instructor Page

A wireframe for an instructor page. It features a large rectangular container. At the top, centered, is the word "Navigation" with a horizontal line extending across the width of the container below it. On the left side, there is a vertical rectangular box labeled "Instructor Links". To the right of this box is a larger rectangular area labeled "Module".
